REMARKS

Claims 1-3 are pending in this application. By this Amendment, the specification, claims 1-3 and Figs. 7-9 are amended. No new matter is added by these amendments. Reconsideration of the application based upon the above amendments and the following remarks is respectfully requested.

The Office Action, on page 2, objects to the specification for informalities. A substitute specification has been amended to obviate this objection. Accordingly, Applicants submit a clean copy and marked up copy of the substitute specification.

The Office Action, on page 2, objects to Figs. 7-9 for informalities. Specifically, the Office Action asserts that these figures should be identified as prior art. Figs. 7-9 have been amended to obviate this objection.

The Office Action, on page 2, objects to claims 1-3 for informalities. Claims 1-3 have been amended to obviate this objection.

Accordingly, based on the above amendments, and the assertions made in the Office Action, this application is in condition for allowance.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-3 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
